CREATE YOUR OWN ACCESSORIES SHOP

*They say creativity can soothe body and soul,
We say that beading will nurture this goal.*

*Whether you're a beginner or have beaded before,
We can teach you the basics or else something more.*

*Simply make a selection from the designs on our list,
And any day, any hour, we'll be here to assist.*

*Our time and instruction will not cost you a penny,
You'll just pay for the beads, of which we have many.*

*With books and accessories that are bound to delight,
You'll find much inspiration and you'll find that we're
right!*
